

New Song Missions. So the whole world will Know God.

According to Revelation 5:1, Jesus purchased men for God from every “tribe and language and people and nation” with his blood. Billions of people have still never heard this Good News. They have been purchased but don’t know it. At New Song Church we believe we can’t keep this to ourselves. We intend not only to reach out to our city and state and nation; we want to do our part in reaching the ends of the earth.

We want the members of New Song Church to know what ministries we support to reach the unreached of the world.

FIRM - Fellowship of Israel Related Ministries

FIRM brings together many of the different ministries that reach out to the Jewish people of Israel with the love of Jesus. They have three main goals:

1. INSPIRE people, especially leaders, to bless Israel.
2. CONNECT individuals and ministries for greater cooperation and synergy.
3. EQUIP ministries and individuals for greater effectiveness in blessing Israel.

Our church gives to FIRM monthly because the people of Israel have a special place in the heart of God and we want to see them know their Messiah.

Empower International

Empower works in Thailand, Myanmar, and Pakistan, all nations with minimal numbers of Christians. They partner with local pastors to plant churches, develop leaders, care for orphans and build schools.

Our funds are explicitly going to a church/orphanage in Yangon, Myanmar. The Doors of Hope Children’s Home cares for 20 children who were orphaned or at risk of trafficking. The Christian Church, which meets in the same building, helps take care of these children and reaches out to their community. They are located in a densely populated area which is entirely Buddhist and are excited by the challenge of bringing people to Christ.

Josh and Colie Hanson went on our first short-term trip to Thailand and Myanmar with Empower at the end of 2018. We intend to take short term trips to Thailand and Myanmar in the future so members of our church can experience and help in this frontline ministry themselves.

The Woodall Foundation

If you have been at New Song for any amount of time, then you have likely experienced the love and passion of Daniel and Becky Woodall. They have a hand in numerous ministries around New Song, but also minister to the deaf community around the world!

Since 2015, The Woodall Foundation's mission is to be the hands and feet of Jesus to the Deaf community in Moldova. In 2019, the ministry has expanded to reach the Deaf in Costa Rica as well. Various ministries happen year around in Moldova including bringing supplies to Deaf schools, weekly Bible studies, monthly groceries to needy families across the country and a 10-day summer camp for Deaf youth. In April 2019 the first Deaf camp for adults will be held in Costa Rica. Our heart is to reach these nations by loving a group of people who are not easily reached.

The Woodall Foundation is a non-profit organization, and all donations go directly to the needs listed above. You can see weekly updates on our Facebook page at <https://www.facebook.com/woodallfoundation/>, or simply searching The Woodall Foundation.

New Song invites you to regularly pray for these ministries and those to whom they minister. They are the tip of the spear in the spread of Jesus' Kingdom. We also invite you to support these ministries financially as the Lord leads you. We will try to keep you updated on these ministries because we do not simply want to send checks. We want to have a connection with God's people on the other side of the world.
