

# FOURS AND FIVES

## REPLAY SHEET

### **\_01 WHAT WE LEARNED TODAY:**

This month we are learning about the Fruit of the Spirit! Each week we're focusing on a different Fruit that will help us grow into the men and women of God that we are called to be! This week we are learning about **GOODNESS**. God helps us be good! Luke 5:17-26 teaches us about a group of friends who were determined to help their paralytic friend. Their friend couldn't walk and therefore couldn't get to Jesus, but they knew that Jesus could heal him! So, they carried his bed and went to the house where Jesus was. Because the crowd was so big, they climbed onto the roof, cut a big hole, and lowered the man into the house. Talk about determination! Jesus saw the man and healed him. None of this could have happened without his group of really *good* friends.
