

FOURS AND FIVES

REPLAY SHEET

_01 WHAT WE LEARNED TODAY:

This month we are learning about how JESUS MAKES US FREE! Each week, we will focus on a different aspect of Freedom in Christ. Today was all about: Jesus never gives up on me. Jesus was the best story teller, and one day He told a story about a lost sheep. Here's how the story goes: There once was a shepherd who had a flock of 100 sheep! He loved his sheep and loved taking care of them. One day he noticed that one of his sheep was missing. He left the other 99 sheep in a safe place, and went looking for his little lost sheep. After searching high and low, he found the lost sheep! Just like the shepherd, Jesus loves each of His children and is always willing to look for one just lost person. Even when we're lost, Jesus will never give up on us!
