

# FOURS AND FIVES

## REPLAY SHEET

### **\_01 WHAT WE LEARNED TODAY:**

This month we are learning about how JESUS MAKES US FREE! Each week, we will focus on a different aspect of Freedom in Christ. Today was all about: Jesus forgives me. Jesus was the best story teller, and one day He told a story about a son who ran away - the prodigal son. The story goes like this: There once was a son who was given half of his dad's money. He took all the money and moved away. After spending all of his money on silly things, he ended up with nothing. He was so hungry that even pig food looked yummy to him! The son remembered that his father had lots of food and a comfy home, so he decided to go home to his family. His dad was waiting and waiting for him, and started running to him when he saw his son coming home! Even though the son had run away and been bad, his dad loved him and welcomed him home. And just like that, Jesus loves us and always will welcome us home to Him - even when we run away.
