

FOURS AND FIVES

REPLAY SHEET

_01 WHAT WE LEARNED TODAY:

This month we are learning about how JESUS MAKES US FREE! Each week, we will focus on a different aspect of Freedom in Christ. Today was all about: Jesus frees me from shame. One day, Jesus was really thirsty. He went to a nearby well to get a drink of water. Sitting by the well was a woman. Even though they had never met before, Jesus knew that the woman was stuck in sin. Jesus told the woman that he knew she was stuck in sin. She felt so bad and ashamed! But Jesus told her that He could help her be free from sin, and He did! Instead of feeling guilty, she was so excited to be free from sin. She even went and told the whole town! Even if we get stuck in sin, Jesus sets us free and helps us not feel ashamed.
