

FOURS AND FIVES

REPLAY SHEET

_01 WHAT WE LEARNED TODAY:

This month we are learning that we don't have to be scared! God is with us all the time – even when we fear! Peter and his friends were on a boat in the middle of a storm. It was raining, lightening, and thundering really loudly! And to top it all off, Peter and his friends saw someone walking toward them ON the water. Not swimming – WALKING on the water. Could it be a ghost?! Nope – it was Jesus! Peter told Jesus to invite him to walk on the water, so Jesus did! But as Peter stepped out onto the water, he saw the big stormy waves and got scared! Peter began to sink in the water when he let his fear be in charge. But fear not – Jesus helped him back up and helped him.
