

TWOS AND THREES

REPLAY SHEET

_01 WHAT WE LEARNED TODAY:

This month we are learning that we can talk with God! God hears us when we pray, and we can hear God speak to us! Samuel was a little boy who grew up in the church and learned how to be a mighty man of God. While Samuel was sleeping, he kept hearing someone say his name, "SAMUEL!" Samuel kept running into the priest Eli's room, thinking it was Eli speaking with him, but finally learned that it was actually GOD speaking to him! Samuel learned to respond to God's voice by saying, "Speak Lord, for your servant is listening." We always want to be ready to hear God's voice!
