

FOURS AND FIVES

REPLAY SHEET

_01 WHAT WE LEARNED TODAY:

This month, we are learning that we can talk with God, and it's called PRAYER! This week is all about Peter and how he REALLY needed people to pray for him constantly! King Herod wanted to kill Peter, so he threw Peter in prison until it was time to kill him. The church loved Peter and knew that Peter needed their prayers! So, they prayed day and night for Peter. While the church prayed constantly for Peter, an angel appeared and helped guide him out of the prison step-by-step. It's important to have people around you who will pray for you until there's a breakthrough! And it's even more important that we learn to pray constantly for those God has put in our lives.
