WEEK 2 - Faith in Healing

_01 WHAT WE LEARNED TODAY:

This month, we are learning that GOD HEALS ME! Today we heard a story from Luke 8 about a woman who was sick for 12 years ... 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12 - wow, that's a long time! This woman knew that Jesus was in town, so she rushed out to see him. She worked her way through the crowds, because she knew that even if she touched the bottom of his clothes, His power would be strong enough to heal her. And guess what - she was healed! Time after time in the Bible, Jesus says, "Your faith has healed you." Faith must be pretty important!
