WEEK 4 - Thankfulness in Healing

_01 WHAT WE LEARNED TODAY:

This month, we are learning that GOD HEALS ME! Today we heard a story from Luke 17 about ten guys who were really sick with a disease called leprosy. They had gross sores all over their body; they couldn't touch anyone, they couldn't hang out with anyone ... they couldn't even hug their moms. But one day, Jesus was traveling through their town and healed them! All ten men were healed ... 1, 2, 3, 4, 5, 6, 7, 8, 9, 10! But here's the thing: only one healed man came back to Jesus to say, "thank you." Jesus loves healing us, and it is so very important for us always say, "thank you!"
