

WOMEN WHO PRIZE  
BEING FOUND IN CHRIST

1. What was your most significant takeaway from HIS Night Out?
2. We learned about how God facilitated change with His words. Abraham was **first named** father and **then became** one. What is one thing you need to rename based on God's Word? OR what is one thing that is NOT in your life right now that God has promised? He calls things that be NOT as though they ARE.
3. Pastor Sarah talked about how intense prayer (like the kind of prayer Elijah prayed) is **NOT** indifferent. Intense prayer loves, and intense prayer hates. How do you think understanding will improve your prayer life?
4. How much time do you spend on social media apps each day? You can check your phone if you are not sure. Do you think your phone ever distracts you from praying difference-making prayers? Take some time to check out Screen Time (found in settings on iPhones) and discuss app limits and accountably with your group.

prayer needs

Write down the prayer requests of your group members, and pray fervently for them! Let your group members know when you are praying for them, if you have any scriptures or encouraging words for them, etc.
